She takes chances from which a less experienced writer might shy away. Whatever happens in the course of the story, the reader is left with the sense that this is a mother who truly loves her daughter and truly wants the best for her. Sentimentality isn't usually my chosen genre but I could not put Just Like Other Daughters down.

Who were you going to marry in kindergarten? Or first grade? Do you remember your first crush? Or your second? It is easy to dismiss young emotions, puppy love as they call it, but these feelings can be immensely strong. They may not last but while they are with us they can consume us. This novel deals with what it's like when a young woman with Down syndrome experiences her first feelings ...
