Love Stendhal

On Love: On Love, philosophical discourse by Stendhal, published in 1822 as De l'amour. The work was prompted by Stendhal's hopeless love for Métilde Dembowska. The first part of On Love is an analysis of love, in which Stendhal lists four kinds of love: physical love, purely sexual in scope; love as a

On Love by Stendhal | Book review | Books | The Guardian

The boredom of married life inevitably destroys love, when love has preceded marriage. And yet, as a philosopher has observed, it speedily brings about, among people who are rich enough not to have to work, an intense boredom with all quiet forms of enjoyment. And it is only dried up hearts, among women, that it does not predispose to love.

Stendhal Quotes - BrainyQuote

Crystallization is a concept, developed in 1822 by the French writer Stendhal, which describes the process, or mental metamorphosis, in which unattractive characteristics of a new love are transformed into perceptual diamonds of shimmering beauty; according to a quotation by Stendhal:

What I call 'crystallization' is the operation of the mind that draws from all that presents itself the ...

Insomnia has its hazy, surreal benefits. "If you've never read Stendhal's *On Love*, well, you should," my professor informed me, in a rapid-fire email exchange that took place, improbably, at 3:31 AM. (Somehow, we were both awake.) At the end of the trading of messages, I groaned at the prospect of adding something else to my reading list, set the laptop down, rolled over, and went back ...
