Simple Scene Breaks. Your scene ends but you don't want to start another chapter just yet. You need a scene break. Some authors and publishers put an empty line and no indentation on the first paragraph after a scene change to let you know things have switched, but on ebooks, if a scene break happens to occur on a "page" turn, the reader can be confused.

Some hardcover books need a little breaking in—especially if you experience "creep" (text getting lost in the gutter of the pages). Here's how to solve this problem without ruining the book's spine.

### **Break In a Hardcover Book (Without Ruining the Spine)**

If it turns out that the apartment a tenant was renting was not a legal rental unit, the tenant can terminate the lease agreement without penalty. State laws will vary, but the tenant is often entitled to the return of at least a portion of the rent they have paid over the life of their lease.
