Follow/Fav Solar Embrace. By: Abramus5250. ... Wow, she was thinking like a little filly who was just beginning to like colts. And of her tail: she knew he wouldn't be as attracted to it as he would a dragoness. Sure, it was just like her mane, though a bit shorter and less frilly. Would he gaze upon its colors in wonder, or repulsion?

SunSquabi - Just A Little

At four months old, he is probably roughly the same age as a two or three-year-old human. This will depend a little bit on the breed and size of the dog. Some dog breeds develop more slowly than others (physically, mentally, or both), but just like with humans, everybody pretty much catches up to each other eventually.

How old is my dog in human years? - embracepetinsurance.com
