### **London By Tube A History**

The history of the London Underground began in the 19th century with the construction of the Metropolitan Railway, the world's first underground railway. The Metropolitan Railway, which opened in 1863 using gas-lit wooden carriages hauled by steam locomotives, worked with the District Railway to complete London's Circle line in 1884. Both railways expanded, the Metropolitan eventually extending ...

### **History of the London Underground - Wikipedia**

The first and one of the largest metro subway systems in the world, the London Underground continues to have a major role in the city. It is part of London's history, and its changes continue to reflect the change in the metropolis itself.

### **The Tube: A History of the London Underground - Londontopia**

London Underground is as much part of London as Buckingham Palace, Big Ben and Westminster Abbey – and some would argue a lot more useful. London was the first city to run trains underground, so let's dig down into the Tube's history.

### **A Brief History of the London Underground - Culture Trip**

175 years ago, a tunnel opened which marked the birth of the London Underground. The Thames Tunnel was the world's very first tunnel that was built underneath a river and it was described as the ...

### **A history of the London Underground - BBC Newsround**

London by Tube was a fun book to read and kept me glued to the screen for many a night. There is an entry for each station on the London Underground and gives a nutshell history of each station and interesting tidbits on what happened in the area around those stations.

### **Amazon.com: London by Tube: A History of Underground ...**

London Underground History - An Exemplary Achievement in Itself. London's underground passenger railway is an extraordinary engineering feat of the 19th century. Initially, it was thought of as a foolish idea, but has greatly eased the transport woes in London. Read on to know more about the past of this exemplary system...

### **London Underground History - An Exemplary Achievement in ...**

On 10 January, The Metropolitan Railway opens the world's first underground railway, between Paddington (then called Bishop's Road) and Farringdon Street. The Underground Electric Railway Company of London (known as the Underground Group) is formed. By the start of WWI, mergers had brought all lines ...
