"Licensed to Kill" is street-level reportage about military contractors. It's not a polemic, though Pelton notes the things like heavy steroid use and disdain for locals, and tells the story of a co Pelton can be a bit hip-macho and light on background, but he does a very good job at getting on the ground in dangerous places and getting to talk ...

Licensed to Kill is Robert Young Pelton's broad survey of the modern world of mercenaries. Strike that, of contractors. Mercenaries, after all, as Doug Brooks of IPOA (International Peace Operations Association) said in the movie Shadow Company: anyone convicted as being a mercenary should be shot along with his lawyer (Doug, pardon my paraphrasing).

Blackwater is the best known of the private military contractors (PMC) in Iraq. There are a number of books out now about PMCs and mercenaries — I chose Pelton's Licensed To Kill because of his reputation and his previous books. He \*likes\* going to incredibly dangerous places like war zones, finding the local warlord, talking to him, then leaving alive after making a friend.
