While not my favorite Locke & Key vol. it is far from bad or OK Joe Hills not so good is still great compared to other comics out there, this story line is a little jumpy and I wish they went into each key a little more this vol could of easy been 2 or three but still a good continuation of the Locke & Key plot.

Locke & Key Vol. 2: Head Games (Locke & Key Volume) review [Book] 2018-7-10 18:0 Where a lot of people say they least liked volume 4, I would say that I least liked this volume. A key hero does something in this book that affects the story for several volumes, and while I can say I dislike it, I can also see why Hill wrote it this way.
