A knock-out set of short stories that made me think of Joyce's "The Dubliners" transposed to hip 21st century Portland, Oregon. It took me a few pages of deceptively casual prose to realize just how good his writing really is, but by the end of the first story ("Old Joy"), Jon Raymond totally had me.

It turned out to be a technical mistake, and I found out what I missed when I read Jon Raymond's "Train Choir," the closing piece in his first collection, Livability, and the story on which Reichardt's film is based. Story-wise, what I missed was crucial: the main character's motivation to leave her Midwest home for Alaska, how she ...
