### **Episode 52 - Cee Lo Green -- One On One**

The more I focus on living, the less it seems I need. What does it mean to focus on living? It's a shift from caring about possessions and status and goals and beautiful things ... to caring about actual life. Life includes: taking long walks, creating things, having conversations with friends, snuggling with my wife, playing with my kids, eating simple food, going outside and getting active.

### **» live more, need less mnmlist**

Be More with Less. simplicity is love. When to Make a Personal Promise to Pause. ... getting things done and checking things off instead of taking action with the goal of supporting the kind of lives we want to live. ... This could be something simple like someone criticizing your work, or more complicated like an argument with someone you love.
