Language, Proof and Logic Second Edition Dave Barker-Plummer, Jon Barwise and John Etchemendy in collaboration with Albert Liu, Michael Murray and Emma Pease

Language, Proof and Logic - University of Cincinnati

Note that due to the nature of symbolic logic, there are many problems that can have multiple solutions, especially some of the world building problems in Tarski's World and several of the translation problems later in the course. Thus, these solutions are possible solutions to the problems, but there may be others.
