Juno of Taris Book blurb. The Taris Project was the brainchild of a desperate twenty-first-century world, a community designed to survive even if the rest of humanity perished. An isolated, storm-buffed island in the Southern Ocean was given a protective dome and its own balmy climate. And now Juno is one of 500 people who live there -...

'I don't think any of you are right.' He waved a hand. 'Oh, I grant you that Juno doesn't fit the mould of the perfect Taris child. But she's not the only one.' To my astonishment, he grinned at Silvern who tossed her head and dared him to speak. But Marba was never interested in squabbling. 'This is what I want us to do.

"Don't give up. Don't let them kill your spirit. Things will change. You need to be strong. You need to be ready. And you will need courage.' Juno is young; she has no authority, no power, and to question the ways of Taris is discouraged. She knows what it's like when the community withdraws from her - turning their backs and not speaking to her until she complies.

Juno of Taris By: Fleur Beale. ANOTHER BRIGHT IDEA On Taris, we shave our heads. No. That's wrong. On Taris, we have our heads shaved for us. It's to remind us who we are. It's to keep us all the same. It's to take away the need to spend time on our appearance, so that we can concentrate on our survival. So they say.
