Best Answer: they usually say 6 months on average is when you would finish. That is if you don't have any background in human anatomy and nutrition, i think it's possible to be able to take the exam in December if you feel like you're ready. I was thinking about taking my certification from ISSA or NSCA. I ...

The test is "open book" since it's an online exam, and you can start and stop as need be. What I did is go through all the pages of the final exam and copy into word. Then I was able to print it out and sit down and write out all my answers and triple check everything easier. (I found it easy to lose your place when you're in an online test)
