Speech Communication - Journal - Elsevier

What is more, speech acts do not essentially involve language: bidding, promising, resigning and challenging are all acts that can be done without words. Our characterization of speech acts captures this fact in emphasizing speaker meaning rather than the uttering of any words. Speech acts are thus also to be distinguished from performatives.

Speech Acts (Stanford Encyclopedia of Philosophy)

The Journal of Pragmatics publishes invited reviews presenting a detailed, critical summary of current research findings on a particular topic or area of research.
