Whether you've been carrying around an art journal for years, or have been waiting for just the right push, in the pages of Journal Spilling you will learn new ways with mixed media as well as new insights about yourself. Step-by-step instruction will make the process easy and you'll explore such techniques as:

Journal Spilling: Mixed-Media Techniques for Free Expression

The actual art techniques were mostly nothing new to me as someone who has worked with mixed media for nearly two decades now. I'll definitely be taking some notes before returning it to the library and may look into picking up used copy if I can get myself to start art journaling like I've been thinking about wanting to do for months now.

If you fancy having a go at art journaling here are some things I recommend you have in your toolkit: Journal - get a sketch book, old book, no te book or make a book. The thing to remember is the thinner the pages the more preparation you need before they will hold the paint without soaking through and ruining your other pages.

Recommended Resources - Art Journaling and Mixed Media

Here is an example of where a mixed media journal can take you. For more information about the process of journalling, I'd recommend: At its core, Journal Spilling is about incorporating journaling and art making into daily life, all the while encouraging a carefree, non-judgmental approach.
