An island that has recently appeared in the middle of the Sea of Galilee (Kinneret) is a cause of ecologic alarm, but, more importantly, it is also a sign mentioned explicitly in the Talmud as presaging the coming of the Messiah from the House of David. The sudden appearance of the island is not entirely unusual or unexpected.

Island Appears in Parched Sea of Galilee. A new drought is in full swing in Israel, as evidenced by the plummeting water level of the Sea of Galilee, known locally as the Kinneret, which has resulted in the appearance of a large island near its southern shore. The Galilee today stands some 4.5 meters (nearly 15 feet) below its optimal water level,...
