Sometimes you read a series that just makes you appreciate the world more, this is one of those series. From book one you get to listen to these two people from different worlds fall in love, and in book 2 you get to see their love grow into a real relationship.

### **Love Unrehearsed Audiobook | Tina Reber | Audible.ca**

Love Unrehearsed I got through it...Love Unscripted was not a book I could rave about. For me this author is just a little long in the telling of the story. The narrations was very good. I love a big story well written. I want to like these books. It was ok and evidently alot of people really enjoyed it.
