### **Just My Type: A Book About Fonts by Simon Garfield ...**

Just My Type is a "litte book" on typefaces and printing directed to the layman, not the professional or type aficionado. For example, the author tells you where the terms "lower case" and "upper case" originated -- I never knew that. I also found the brief discussions of the legal issues faced by type designers educational.

### **Just My Type: A Book About Fonts: Simon Garfield ...**

To write a book, first think of an idea you're excited about. It can be whatever you'd like - you could write a memoir about your life, a fantasy tale, or if you're an expert on a topic, a non-fiction book! Once you've come up with an idea, cultivate good writing habits to bring your book to life.
