This next part you just kind of have to know. If you've been speaking English for a long time, you probably know it whether you think you do or not, and if you are learning English you just have to memorize it. I is a subject pronoun, and me is an object pronoun. The proper sentence is I love you, not Me love you.

### **Between You and Me | Grammar Girl - Quick and Dirty Tips**

Between you and me, the phrase "between you and I" grates on my ears like nails on a chalkboard. I hear the wrong version about 3 times as often as I hear it said the right way, so let's get this straightened out once and for all. Between is a preposition, and in English, a preposition must be followed by an indirect object pronoun.
