Language Lessons (2000) About book: I found this book on amazon when I was browsing for freebies. And from a first look I knew I had to have it. This is a very entertaining and a very sweet read. Format: Kindle Edition Verified Purchase This is a sweet little story, very moving and full of romance about a boy called Joey who asks what does it mean to love. It's a question we've all asked ourselves and I think this book covers it in a 'wish it would work out that easy for me' can of way.
