Review: Part mystery, part exploration of religion and faith as well as grief, Losing Faith by Denise Jaden is about two sisters who despite growing up together don't seem to know each other very well. Raised in a family with religious beliefs, when Brie falls away from her faith and stops going to church the sisters drift apart.

Losing Faith by Denise Jaden | Amy's Marathon of Books

Losing Faith by Denise Jaden has a cult, thus making it full of win. It also has: character development, death, high school, home school, kissing and religion. Elements of appeal to me. Brie is a self-absorbed teenager, more concerned about messing around with her boyfriend Dustin than anything else.

Review of Losing Faith by Denise Jaden | Good Books & Good ...

review 1: There's an accident, and Brie's sister Faith is mysteriously taken too early in life. Brie wants to know what really happened, since her parents seem to be too distraught to follow through with an investigation. Eventually, Brie becomes friends with the most unlikely candidate in school, Tessa.

I thought LOSING FAITH would be difficult to get into because of the subject matter, but I was pleasantly surprised. Jaden's ability to create life-like characters and the touch of mystery she added to the plot kept me reading straight through to the end. I've added this book to my re-read pile and look forward to opening the covers again soon.
