Kidnapped Cowboy is a really cute and fun story to read. While there is a little heat in the story,  
there is a more than the normal amount of heart. This is one story that will touch so many places of  
your heart that you will lose count.

Captive Cowboy book 2 in the Captured Hearts series was a First time read for me of a Lindsey  
Brookes title. Read out of series order didn't detract from the story. Yes, there were plenty of  
references to the first book in the series but I could easy follow the storyline without that 'missing  
the first 20 minutes of a movie' feel.
