### **Logic: A God-Centered Approach to the Foundation of ...**

Dr. Vern Poythress speaks about his new book, Logic: A God-Centered Approach to the Foundation of Western Thought. Discussion centers around the relationship between God and logic, the relationship between logical form and its content, and a Christian approach to modal concepts like possibility and

### **Logic: A God-Centered Approach - Reformed Forum**

Though it is very conducive to being used as a textbook, Vern Poythress' Logic: A God-Centered Approach is part logic textbook and part theology of logic. It comes as the newest installment in a long line of "God-centered approaches" offered by Poythress (see also science, language, and sociology). Much like those volumes, this one draws on John Frame's triperspectivalism which is something we can all rejoice about.

### **Logic: A God-Centered Approach to the Foundation of ...**

And contrary to a secular and naturalistic understanding, logic does not exist independently on its own but is rather rooted in the nature and character of God. With the goal of presenting a Christian view of logic, Vern Poythress has written Logic: A God-Centered Approach to the Foundation of Western Thought. The book is written in two parts.
