**Legend Jude Deveraux**

I am a huge fan of Jude Deveraux. I love her dialogue, her witty characters, and the situations those characters get into. However, "Legend" was a little off beat for me. Time travel is always a little difficult for a writer I think, since there are so many outcomes you have to consider, and the chance that it may confuse the reader.

Legend fascinated me. You did not know what to expect most of the time. It was artfully written. Legend was a delight to read. The end was somewhat of a let down on the epilogue but I guess Jude Deveraux may have another series in store for us.
