All right, maybe it's not the best novel Heyer ever wrote, but it's still Heyer! Which means there's a whole lot here to love. Recently, on vacation, I read the last two Regency novels Heyer published, back-to-back – this one, Lady of Quality, and Charity Girl.

Lady of Quality has many of the same themes and character types as Heyer's other novels, just varied a bit. For the most part Heyer had a genius for tweaking things just enough: this one is different (for example) to Sprig Muslin and Charity Girl in that it is a female protagonist who gets foolishly caught up in the tangles of an unchaperoned young girl, and the heroine has a lot of independence.

Lady of Quality is a brilliant book, one of Heyer's best and the last she wrote before her death. It is the story of the relationship between Annis Wychwood, a mature lady who hasn't ever married as she hasn't found the right man, despite being offered marriage on numerous occasions, and Mr Oliver Carleton, a brash and forthright man who isn't particularly attractive and has a reputation as a rake.
