La Place De Letoile Patrick

The complete review's Review: . La Place de l'Étoile was Patrick Modiano's first novel, the work of a very young writer that is in some ways the work of its youthfully defiant and confrontational times -- it was published in 1968 -- but is also anchored very much in recent (but not yet surmounted) past, focused on France's complex relationship with Judaism and steeped in history going back ...

La Place de l'Étoile - Patrick Modiano - Complete Review

La Place de l'Étoile is the first novel of the French writer Patrick Modiano. It was published by Gallimard in 1968 and won the Roger Nimier Prize and Féneon Prize.. The novel, which draws on elements of autobiography, recounts the story of Raphael Schlemilovitch, a French Jew born just after the war, who is haunted by the war and by thoughts of persecution.

La Place de l'étoile (novel) - Wikipedia

La Place de l'Étoile was Modiano's first novel, but I would not recommend it first to the new reader. It is brilliant, but with that particularly French brilliance of a young intellectual writing to astound older intellectuals, punching his card as a member of the closed circle, yet turning their sacred shibboleths to his own profane ends.
