Its Not Love Just Paris

"It's not love, its just Paris" is a story about young people falling in love in the city of Paris. However, it isn't just another love story as it digs deeper into what it means to be young and exploring the world through eyes that experience everything for the first time; There isn't a more intense feeling than falling in love for the first time (whether it be directed towards a person or city).

It's Not Love, It's Just Paris: Patricia Engel ...

It's Not Love, It's Just Paris is one of the best books I've read all year including The Great Gatsby and True Grit. Yes, I'm putting Engel in the same category as Fitzgerald and Portis. This coming of age story is a true classic, filled with such poignant honesty and searing wisdom as to stand the test of time, yet it is a fluid page turner too.

Love is a word that is thrown around a lot. However, not many people get to experience true love in its pure nature. Just because you like someone and enjoy their company does not mean you love them. However, with enough time and after knowing them at a deeper level, you may find yourself in love. The same thing holds for lust.

10 Signs It's True Love And Not Just Lust

Paris has been the scene for great cinema classics for years. Whether it is the Audrey Hepburn and Fred Astaire classic, *Funny Face* or Vincente Minnelli's *Gigi* set at Maxim's de Paris, there's no shortage of movies set in the city. Award winning films such as *Amélie*, was also framed in a Parisian backdrop with its whimsical depiction of contemporary Parisian life set in Montmartre.
