Kant and the Problem of Strong non-Perceptual art | 3 for much of the twentieth century. If Shelley is right about this, the second solution turns out to be a symptom of what it rejects: it denies the necessity of aesthetics to the

Kant and the Problem of Strong Non-Perceptual Art

Kant's Morality: Summary and Problems Immanuel Kant (1724-1804) is one of the most important and influential modern philosophers. He was born in Königsberg, the ancient, seven-bridged Prussian capital which became, in 1945 (after deportation of most of the German population to the Gulag archipelago), the bizarre Russian Baltic enclave of Kaliningrad.

Kant's Morality: Summary and Problems | Tigerpapers

The basic problem with utilitarianism, in Kant's view, is that it judges actions by their consequences. If your action makes people happy, it's good; if it does the reverse, it's bad. But this is actually contrary to what we might call moral common sense.

What You Should Know About Kant's Ethics in a Nutshell

Immanuel Kant (1724-1804) is the central figure in modern philosophy. He synthesized early modern rationalism and empiricism, set the terms for much of nineteenth and twentieth century philosophy, and continues to exercise a significant influence today in metaphysics, epistemology, ethics, political philosophy, aesthetics, and other fields.
