I have been searching either the Student Solution Manual or Instructors Solution manual for this textbook (Linear Algebra and its Applications 4th edition by David C Lay) and I can't find it anywhere. Any help would be much appreciated since the 'answers' provided in the back of the text are just SO useless.

I've been searching for David C. Lay's Linear Algebra and its Applications (4th edition) solution manual in which all of the solved problems are given, but could not find it.
