Constitution.com provides one of the largest collections of historical documents available on the internet: founding documents, historic papers and writings, state and nation/state constitutions, presidential addresses and executive orders, treaties, united nations reports, etc.

The Constitution • Constitution.com • Constitution.com is one of the largest collections of historical documents available for free on the internet: founding documents, historic papers and writings, state and nation/state constitutions, presidential addresses and executive orders, treaties, united nations reports, etc.

A living document, also known as an evergreen document or dynamic document, is a document that is continually edited and updated. An example of a living document is an article in Wikipedia, an online encyclopedia that permits anyone to freely edit its articles, in contrast to "dead" or "static" documents, such as an article in a single edition of the Encyclopædia Britannica.
