Learning to Silence the Mind Quotes. "There is a very delicate line between pornography and beauty. A naked woman is not necessarily pornographic; a naked man is not necessarily pornographic. A beautiful man, a beautiful woman, naked, can be examples of beauty, of health, of proportion. They are the most glorious products of nature.

Silence is our only antidote, and here's how that works. Silent brain repair. Sound, specifically music, seems like heaven to our ears and our brains. This is where the deception lies. So, if silence can repair the brain, even restoring regions damaged by age, it stands to reason that silence is a much better option than "noise".
