Islands Dan Sleigh

About Islands by Dan Sleigh: I hated this book in the way you are supposed to hate a book. Dan must have pulled the historical records. He had fires and flood to explain gaps in the history rather than trying to fill in gaps for which there was no record. I can only say that I have dreamt about the characters, hoping that things would change.

Absolutely fantastic book. Just one of those that you come across and know immediately that you're going to end up buying someone a copy because you just want to share the wonderful experience of reading it. You're disappointed when you reach the end which is saying something for a book which comes to over 700

This novel of epic proportions from South Africa, set between 1650 and 1710, covers the first fifty years of the Dutch colony at the Cape of Good Hope. Beautifully rendered, this is a world and a time never before dealt with in fiction-a period when powerful colonizers took over the lands of Hottentot tribes, exposing aborigines for the first time to Western eyes and Western ways.
