Summary. This continuing cycle or pattern of infinite regression is similar to a series of mirrors reflecting one another or to the kinds of reflecting mirrors one finds in funhouses. The funhouse is where the narrator/Ambrose is, and, in reading the story, readers, too, are lost in the funhouse that Barth creates.

### **Lost in the Funhouse Summary - eNotes.com**

"Lost in the Funhouse" is about the technique of building plot and characters and making things interesting without getting "lost." Barth was a master at analytical writing, but also knew the dangers of it -- sometimes, when you look too closely at things, or study your feelings too much, they don't make sense anymore.
