Kiss/hug Manga | Mangasim.com

Plot: Ryuu, a super-businesslike transfer student from England with black hair and blue eyes just arrived! During the night of the Tanabata festival, Ryuu and Yukino became attracted to each other at first sight. He then declares, \\\"You will be mine!\\\" This brought confusion to Yukino, who has zero experience in love. But could she actually be falling in love?

I liked the story of Kiss/Hug very much. While it is typical shoujo it was also a bit tsundere and very cute. My only complaint in this story is the art work. The male characters were not as drawn as well as the female characters. If you are able to move beyond the so so art work- you will find a very

enjoyable story.
