"What a treat. Glamorous and nostalgic and very sexy, Cape May is a novel about marriage, lust, shabby seaside towns and lots of gin. Brilliantly unsettling—one of those books that stays with you." - Paula Hawkins, #1 New York Times bestselling author of The Girl on the Train and Into the Water. A mesmerizing debut novel by Chip Cheek, Cape May explores the social and sexual mores of 1950s ...

Beet cake (aka Chocolate beet cake) A few weeks ago we published our notes on Red Devils Food Cake (what makes it red) and a reader responded "the beets!" Our survey of recipes published in historic newspapers and cookbooks confirms WWII-era cake recipes sometimes substituted beet sugar for rationed white granules.

In this issue of 580 Split, we invited writing and visual art that reflects on the breaches of our current political climate, the ways these breaches have scarred and marked us, and moments that break through the surface of the status quo to create something new. Though these are dangerous times for the vulnerable and marginalized among us, we were interested in writing that explores the ...

Georgism, also called geoism and single tax (archaic), is an economic ideology holding that, while people should own the value they produce themselves, economic value derived from land (often including natural resources and natural opportunities) should belong equally to all members of society. Developed from the writings of the economist and social reformer Henry George, the Georgist paradigm ...
