Read an Excerpt. Art is the catalyst that brings animation, purpose, and spirit to process; process offers form to art, lending structure that enhances meaning to the beholder. Leadership is no more confined to process than writing is to format. Leadership is an art that is made comprehensible by process.

### **Leadership: The Warrior's Art - SlideShare**

People don't really want freedom, the ability to choose for oneself, they want leadership, someone

to make choices for them. Consider the sin (mistake) of A-dam: He made the choice to listen to his wife and let his wife, Eve-ill, make the choice for him to eat whatever fruit you want to call it, as she made the choice to listen to the voice of the serpent salesperson and not the voice of ...
