Look Both Ways: Bisexual Politics - scribd.com

Bisexual politics are arguments surrounding individuals who identify as bisexual and their perspectives on issues involving sexuality, equality, visibility and inclusion. Some authors describe "bisexual politics" as a form of identity politics. One form of activism within bisexual politics includes the addition of the word bisexual onto lesbian and gay organisations (such as the acronym LGB ...

Bisexual politics - Wikipedia

The most annoying part of this book is the author's insistence on using some form of the term "look both ways" to refer to bisexuality. Sure, we really do need a synonym for "bisexual" and "bisexuality," but I got really tired of the author using the overly cutesy term over and over and over again.
