JUMP Math is a numeracy program. JUMP Math is dedicated to enhancing the potential in children by encouraging an understanding and a love of math in students and educators. JUMP Math replaces the self-fulfilling myth that some people are born with mathematical ability while others do not have the ability to succeed with assumptions that all children can be led to think mathematically.

John Mighton's JUMP program is changing the way math is taught, and his powerful math  
workbooks give children the tools they need to master this crucial subject. The key is a step-by-step  
teaching method that isolates and describes concepts so clearly that anyone can understand them:  
students build on their successes, becoming proficient at solving problems with confidence and  
enthusiasm.
