### **Learn To Listen 1 Answer**

Learn to Listen-Listen to Learn 1 focuses on listening and note-taking. However, as students learn and practice these skills, they can improve their speaking and reading skills through pre- and post-lecture discussions. Many of these sections involve reading, critiquing, and responding to related newspaper, magazine, and journal articles.

About Active Listening. The way to improve your listening skills is to practice "active listening." This is where you make a conscious effort to hear not only the words that another person is saying but, more importantly, the complete message being communicated.. In order to do this you must pay attention to the other person very carefully.
