It was a really good book and it was very realistic. It made me stop and think and it made me happy that there are authors who seem to completely “get” what it means to be a teen boy. This book will especially appeal to teens who are involved the arts. If you are looking for a quick but thoughtful read, pick up Lucky Fools.

4 quotes from Coert Voorhees: 'It's like they think we're still five years old, coloring in kindergarten, and all the kids get cupcakes whether its their birthday or not. Maybe its a kind of self-preservation. If parents actually knew what their kids were like, they'd probably shoot themselves in the head.', 'It's weird going to school with rich people.
