Kundalini & the Chakras: Evolution in this Lifetime, Book ...

The author does a good job of providing the reader with background knowledge of the chakras and Kundalini. The author also describes many useful exercises and visualizations to practice. However, especially for a beginner, this book does go into quite a bit of detail and is best in small doses.

Kundalini and the Chakras : Evolution in This Life ...

Human evolution, the evolution which we are undergoing relentlessly, both as individuals and as a race, is a journey through the different chakras. Mooladhara is the most basic, fundamental chakra from where we commence our evolution, and sahasrara is where our evolution is completed.

Kundalini Chakras - ayurvedayogashram.com

Christopher Hills published a book entitled “Nuclear Evolution” in the early 70’s, which probably did as much as Leadbeater to influence Western thinking about the chakras. One of the most significant areas Hills was responsible for was the relationship of the chakras to the spectrum colors, which until that time had not been linked.
