How to succeed at work and life—in an increasingly unpredictable world In a world where you can no longer plan or predict your way to success

### **Just Start: Take Action, Embrace Uncertainty, Create the ...**

"Just Start" and don't do extensive planning is the idea that the author is hammering again and again without a clear framework or consistent flow! I felt this would be the result after reading the introduction when the auher changed the way he looked at the subject, and I felt it's going to be a mess.
