This is the second book I've read by Jessica Khoury - I've had another one in my TBR pile for almost a year, but I think I'll be moving it to the top of the list. Kalahari is the name of the book and setting - which in this case is a desert - sorry, semi-desert - but the setting itself plays a character in this novel.

My Take on This Journey:Kalahari, by Jessica Khoury, is the third novel in the Corpus Series. Ms. Khoury is at the top of her game in this dynamic, sensational, journey of a lifetime. Not only has Ms. Khoury created a fast paced, and adventurous timeline, but she has also painted a phenomenal setting with a water color tapestry of vivid imagery.

Kalahari - Jessica Khoury

Vitro is not a sequel to Origin, but it is a companion novel. That means it is set in the same universe as the one Pia lives in, but only one character appears in both. You don't have to read them in any particular order, since the stories are each independent of the other ...
