review 1: Yeah, OK, another flawed, alcoholic detective who's propped up by people who can't help wanting to look after him, including a young and talented colleague and the woman who can't let him go. Despite that, I like the twisty plots, the exotic location, the sheer heft of them. I like a lot of words since I read so stupidly fast.

I've been ogling the newest books in the series - especially The Snowman and The Leopard on Kirkus Reviews. While I still haven't read the Dragon Tattoo series by Stieg Larsson -- I would assume that if you are a fan of Larsson's works, you'd appreciate Jo Nesbø's series. I also found some alternate covers for The Redbreast. I prefer my edition above but what are your thoughts?
