Quotes from Losing My Cool: H... The slave takes the plants and animals and transforms them, through work, into meals; the slave transforms, with his hands, a tree into a table; the slave is most alive, becomes necessary, develops his spirit. The master, on the other hand, is parasitic, decadent, dependent.

Losing My Cool – Book Report Introduction From William's childhood home of one-story ranch house, his father made a collection of books more than any library could hold. His father used some of these volumes to operate an academic prep service, while the other books were used in his never-ending quest for wisdom. William, as [...]
