`Just One Taste' is the third book in Louisa Edward's ridiculously delicious `Recipe for Love' contemporary romance series. We first met Wes Murphy back in second book `On the Steamy Side'. Wes was introduced as the new Market intern (after the last one went bonkers!) and he came with a shady back-story about an illicit student-teacher romance and a broken heart pining for him back at culinary academy.

The tongue is all muscle, but not just one muscle – it's made up of 8 different muscles that intertwine with each other creating a flexible matrix, much like an elephant's trunk. It's called a muscular hydrostat, and the tongue muscles are the only muscles in the human body that work independently of the skeleton.
