Jumper 1 Steven Gould

Steven Gould's "Jumper" is a dark, fascinating story that's part character study, part hard sci-fi with realistic elements. My introduction to it came in a combination of someone recommending me books that were banned in some areas, and another person saying its title resembled one of my WIPs (though the stories are nothing alike).

I first read Jumper in paperback about 20 years ago, but listened to it on Audible after it came out. I picked up Griffin's Story when the movie came out and was surprised by the abandonment of the Jumper Universe. If there's a flaw in Griffin Story, it's in Steven's adapting his Jumper universe to match the movie (Jumper).

Jumper, by Steven Gould, is an action-packed exciting adventure about a likeable teenager who has an awesome superpower. Davy is mostly easy to believe in. He's a little too urbane for his age and experience — he quickly transforms from high school dropout to fine-dining connoisseur, and I've never met a teenager as well-read as Davy ...
