Applying the principles of lean startups, Josh & Jeff lay out the principles of Lean UX which can literally transform the way you bring experiences to life. I have first hand experience applying their wisdom and am excited about taking agile to the next level.

Lean UX

The Lean UX Manifesto: Principle-Driven Design. I asked that very same question on Twitter, LinkedIn and email to some lean UX thinkers out there. My personal conclusion is simple. Lean UX is a set of principles that may be used to guide you to better, more desirable solutions for users. It's

not a process in which each tool is rigidly applied.
