Letting Go of the Words: Writing Web Content that Works ...

I bought "Letting Go of the Words: Writing Web Content that Works" by Janice (Ginny) Redish because of the excellent word-of-mouth recommendations I saw on the Web. As a writer, I was familiar with its basic premise. Writers of any sort are admonished to "murder their darlings," or, in other words, to "let go of the words."

Book Review: "Letting Go of the Words" is Worth Holding On ...
Let's talk a bit about what this book is and what it is not, as well as about how you might work with Letting Go of the Words. It's about writing and design, not technology. Letting Go of the Words is about strategy and tactics, not about tools. I'll help you think about the people who come to your web site and help you write so that they have ...

Letting Go of the Words: Writing Web Content that Works ...
Let us is used in all varieties of speech and writing to introduce a suggestion or a request: Let us consider all the facts before deciding. The contracted form let's occurs mostly in informal speech and writing: Let's go. Let's not think about that right now. Perhaps because let's has come to be felt as a word in its own right rather than as the contraction of let us, it is often followed in ...
